# The Jobseeker Playbook: What Job is Right For You?

Hi TEST,

Let's be honest - searching for the perfect job is exhausting. Reading job ads, writing cover letters and then - if you're lucky enough to get an interview - trying to make an incredible first impression. It's enough to drive anyone crazy!

**That's why we're here.**

It's our goal to make your job hunt as easy as possible. Will it be hard work? Of course. But can it also be fun and exciting? YES! It all starts with zooming in on your goals and deciding how you want to shape your career. Let's get started.

## Recruiter Tip of the Week: Always Confirm Your Interview

Did you know that you should always call or email a day in advance to confirm your interview? This is a professional courtesy, and, believe it or not, it could be the one thing that stands between you and your dream job.

*Okay, You're Ready!*

## It's Time to Start Applying

We connect talented people with incredible opportunities. Create an intentional career path for yourself - we're with you every step of the way.
